

AMENDMENTS TO THE CLAIMS

This listing of claims replaces all prior versions, and listings, of claims in the application:

1-60. (Canceled)

61. (Currently amended) A temperature altering system, comprising:
a blanket sized and dimensioned to lie across a torso of a horse;
first and second pockets disposed on an underside of the blanket, each of which has a
cavity that includes a removable temperature altering device, and each of which is
freely positionable about the blanket using hook and loop fasteners; and
the blanket having a flap sized and dimensioned to secure the blanket to the horse .
62. (Currently amended) The system of claim [[1]]61, wherein the blanket has an underside that includes a wicking material.
63. (Currently amended) The system of claim [[1]]61, wherein the first pocket has a flap disposed to assist in keeping a corresponding one of the temperature altering devices within a cavity of the first pocket.
64. (Currently amended) The system of claim [[1]]61, wherein the first pocket has a zipper disposed to assist in keeping a corresponding one of the temperature altering devices within a cavity of the first pocket.
65. (Currently amended) The system of claim [[1]]61, wherein the first pocket has a button disposed to assist in keeping a corresponding one of the temperature altering devices within a cavity of the first pocket.
66. (Currently amended) The system of claim [[1]]61, wherein the first pocket has a reflective material on a side adjacent the blanket.
67. (Currently amended) The system of claim [[1]]61, wherein the pockets mate with a top side of the blanket.

68. (Currently amended) The system of claim [[1]]61, wherein the pockets mate with a bottom side of the blanket.

69. (Currently amended) The system of claim [[1]]61, wherein the flap is positioned to secure the blanket at a rear portion of the horse.
